

THE SCHILINSKIS

THE SON OF GOD BECAME A MAN
TO ENABLE MEN TO BECOME THE
SONS OF GOD. - C.S. LEWIS

It's been a blessed year for the Schilinskis

Dearest friends and family,

As another year comes to an end, we look back and thank God for all that He has accomplished and started this past year. It's hard to believe that this time last year, the Children's Home was not even running and none of the

19 children there were known to us. They have all become such a part of our lives and family, it's difficult to think of a time when they were not there. We do praise God for each of the children that he has put into Win Our Nations' care. It is amazing to see the

changes in these children's lives. They have grown physically, become healthier, mentally stronger, and all the older children (7yrs +) have asked Jesus to become their personal Lord and Savior. What a blessing it is to be a part of their lives!

We are looking forward to all that God has in store for us in 2010!

For those of you that have not heard, Holly is pregnant again, and we are expecting our fourth child the first of June. We appreciate your prayers for a continued healthy pregnancy and a safe delivery.

We already have a lot planned for the New Year. There are many more orphans that are waiting to come to our Children's Home. We are believing for more sponsors for the children that we already have so that we can open up our doors to more kids in need.

We also have at least two teams scheduled to come next year and we are excited to see how the Lord will use them.

We want to wish you all a very Happy Christmas and a blessed New Year! An enormous THANK YOU to all that have prayed and supported us financially this past year. Without your partnership, we could not be here.

All our love,

Jake, Holly, Josh, Seth, & Jude
